

February 18, 2010

Our exciting new season of professionally produced Broadway hits this year includes several regional debuts as well as a classic revival. In addition to those professional productions we will offer a glimpse into the future, where you can see the up and coming stars of Broadway, in *Les Misérables - School Edition*. This Broadway classic will be performed entirely by students - many of whom have been studying acting at our Gateway Acting School for years. As Long Island's premiere professional musical theatre, we constantly strive to present the quality productions you have come to expect and this year, our 61<sup>st</sup> season is no exception. There is something for everyone to enjoy this season. Once again our Theatre for Children series offers great entertainment for children's groups or camps. Hope to see you at one of our new productions.

*Happy Days ♦ I Love A Piano ♦ Hairspray ♦ Altar Boyz ♦ Hello, Dolly! ♦ Avenue Q*

*Les Misérables – School Edition*

*Children's Theatre Shows*

*World of Magic ♦ Beauty and the Beast ♦ Dora The Explorer ♦ Snow White ♦ Peter Pan and Wendy*

To help you plan a delightful theatre outing for your group we have enclosed flyers detailing our upcoming main stage shows, our children's theatre productions, and *Les Misérables*. In addition, our special group discount rates/guidelines are highlighted on the reverse side of this letter. Remember, the more the merrier...and the more you can save when you buy 25 tickets or more. Besides a fun summer outing for your group or company, below are a few other ideas that you may want to consider purchasing a block of discounted tickets for:

- ❖ *Fundraiser* -- to help raise money for a charity or for a new amenity at your office or school
- ❖ *Anniversary presents* -- to recognize employees' dedication and service
- ❖ *Incentive program* -- to reward employees for a job well done

For a truly unique outing, we'd be happy to help you coordinate a pre-theatre get-together, such as a brunch or wine and cheese party under our spacious outdoor tent. Large groups may want to choose a performance of *Hairspray* or *Hello, Dolly!*, as they will be presented at the Patchogue Theatre. This beautifully restored Jazz Age venue offers additional seating, including a 225-seat balcony that can be reserved exclusively for your event.

As a special courtesy to our loyal groups, we will start fulfilling orders for 25 tickets or more beginning March 8th – that's an entire week before individual tickets go on sale!
