

February 4, 2010

Dear Subscriber:

Our 2010 season includes top Broadway hits, regional debuts, and a classic revival. As a Gateway subscriber, you have the advantage of selecting or confirming your seats, before tickets go on sale to the general public. It is important to get your form back to us by **March 5** to lock in your choice seats – or be at the top of the list for an upgrade.

The enclosed renewal form lists your name, address, seating location(s), and the dates that make up your special series. **These are the only dates that constitute your automatic renewable subscription. The dates, times and the number of seats must remain the same for this option.** To renew a subscription as listed, simply check "Retain My Seats," enclose payment, and return the form back to us by March 5. If you need to change the number of seats ordered, your seating location may be changed. **THIS IS OPTION #1**

If you want to change your subscription details on the enclosed form, you have 3 additional options:

OPTION #2 Check the line on the right side of form entitled "Upgrade My Seats." We will move you to better seats, in the same series, if they are available.

OPTION #3 Enter new series number on the line entitled "New Series #." We will give you seats for the new series number you choose. Review the enclosed chart to ascertain the price of your new series choice. It may be different from what you are paying now.

Please understand - if you choose option number 2 or 3 as stated above, you agree to accept what we feel are the best seats available. Changes and upgrades will be processed before "Subscriber Only" day as explained below. Because of that, you may get better seats if you choose option number 2 or 3, as opposed to option 4. If you are uncomfortable letting us pick your seats, please choose option #4 and come to the Box Office in person to renew your subscription.

OPTION #4 Check the line entitled "Release My Seats" at the bottom of the form. We have set aside a "Subscriber Only" day especially for you, March 15. On this day, the Bellport Box Office will be open only to subscribers who want to change or upgrade their seats. If you choose this option, however, your current seating locations and dates will be released to other subscribers.

Once again we will offer our loyal subscribers the opportunity to exchange their tickets. Our ticket policy will allow subscribers to exchange tickets for a particular show for another performance of the **same** show. All exchanges must be made in person at the Box Office, and at least 48 hours prior to the performance being exchanged.

Patrons who choose to come to the Box Office will be served in order of arrival when we open on March 15th. At 10:00am we will hand out numbers, and immediately begin serving patrons. **March 15th is an exclusive subscriber day and will only be at the Bellport location and in person (no telephone transactions).**

Please carefully review the form on the following page, and complete the appropriate information. We look forward to having you back with us in 2010!

Yours truly,
The Box Office Staff

Reminder - If we do not hear from you by March 5, your subscription and seats will be released to other subscribers.
