**THE SUFFOLK COUNTY CENTER FOR
THE PERFORMING ARTS**

In continuous operation for 27 years, Gateway has achieved recognition as one of the top ten summer theatre organizations in America.

Gateway started with an ideal: to further the cause of world understanding and brotherhood thru the means of the theatre. In 1949, Eleanor Roosevelt signed a Charter designating Gateway as the first United Nations Theatre. After members of the original repertory company became involved in out-side projects, Gateway moved more and more in the direction of Broadway Theatre. From 1961 to 1965 the Center served as the exclusive Talent Farm for Columbia Pictures.

Today, the Center is the Suffolk County Center for the Performing Arts, serving Nassau and New York City as well as Suffolk. Class A Shows are presented in the Gateway Playhouse, Musical Showcases are presented in the Red Barn Theatre, and a separate Theatre Workshop department enrolls 100 students each summer for an intensive program of training in acting, dance, and musical theatre.

YOU CAN JOIN

Gateway Patrons are invited to become active members of the Center. Membership is only \$10.00 for the year. Privileges of membership include obtaining choice seats for premier performances of each show and attending the Cast Party afterwards. It entitles the card holder to a 10% discount on tickets and the privilege of attending special theatre lectures and workshops without charge.
